NRG HOME TERMS OF SERVICE

We appreciate your business. This document is a contract between us, NRG Home, and you that allows us to switch your electricity account(s) to our service. It describes the nature of our service with you and provides important information for you to be aware of. We will begin supplying your electricity under this contract, but your utility will continue to be responsible for delivering your electricity and send you a bill for both of our services.

Summary of Important Information	
Length of Your Commitment	**Month-to-Month**
Price for Your Electricity	**You'll receive an introductory electricity supply price of 23¢ per kWh for your first 3 bills and your price will be variable after that.**
Applicable Fees	**None.**
Your Right to Rescind	**New customers have 7 days to rescind this contract. Existing customers entering into a new contract have 3 days to rescind. This is called your "Right to Rescind" period, which means you will not start service with us until after this period.**
Your Right to Cancel	**Once service has started, you may cancel by contacting us. It may take one or two billing cycles before the cancellation is processed, depending on your utility's timeframes.**

A. Important Information

Length of Your Commitment: *Month-to-Month.* We will begin providing service to you after your utility processes our request to switch your service. The switch will not occur before the expiration of your "Right to Rescind" period. Our service will continue until either of us cancels the contract.

Price for Your Electricity: The introductory electricity supply price you will receive during your first 3 billing cycles with us will be $0.23000 per kWh. After that, your prices with us will be variable. We will determine the variable supply price in our discretion based on many different factors, which may include competitive prices, industry charges we are responsible for, applicable state and local taxes, profit margins, or other business conditions. For your reference, our electricity supply prices include generation and transmission charges and Sales and Use Tax (SUT), but they do not include any utility distribution charges or other utility fee or charge. If you enrolled in a plan with a percentage of green power, your price includes the cost for us to purchase Renewable Energy Certificates.

Our current and historical prices are not an indicator of our future prices and we do not guarantee any savings. Our prices may be higher than your utility's supply rate. If you have a net meter, you will be compensated separately for any credits earned in excess of the amount of energy consumed. No matter what, we will not increase your variable price in any given month by more than 30% from the prior month's supply price.

Applicable Fees: *None.* If you are currently in a contract with another electric supplier, the request to switch you to our service will automatically cancel your service with the other electric supplier. You are responsible for any penalties the other electric supplier may charge.

Right to Rescind: **You have the "Right to Rescind" this contract for a limited time, which means you can cancel your request to switch your electricity service and never start service with us. After switching your electricity service to us, you will receive a confirmation notice from your utility to confirm your choice for us to be your electric supplier. If you are a new customer, you can rescind for up to seven calendar days from the date of that notice from your utility by calling your utility at the contact information listed below. If you are a current customer entering into a new contract with us, you have the right to rescind without penalty within three business days of receipt of this contract by calling us at 1-855-500-8703. This contract is not binding until your "Right to Rescind" period has ended with no action on your part to rescind the contract.**

Your Right to Cancel: We will not charge you for starting or stopping service with us. You may cancel this contract without having to pay any cancellation fee by calling us at our contact information listed below. We will request that the utility cancel your service with us, but the utility controls the effective date of your cancellation. The effective date is usually the next date that your meter is read after the utility has processed our request to cancel your service with us. If you do cancel this contract, you may forfeit some of the rewards that we describe in your Welcome Confirmation, and you will be responsible for unpaid balances as of the cancellation date. This contract may also be cancelled without any penalties if you should pass away or in the event that you move, relocate, or have a disability that prevents you from paying for service with forty-eight (48) hours' notice.

Our Right to Cancel: We have the right to cancel this contract for any reason as long as we give you thirty days' written notice, but if we are canceling the contract due to your conduct or your breach of this contract, you will have an opportunity to fix this condition within the thirty days. Your utility will control the effective date of our cancellation request, but this is usually the next date that your meter is read. If your utility terminates your service, this contract will be automatically cancelled.

Your Authorization to Release Your Information for Use and Sharing: By entering into this contract, you authorize us to act on your behalf under your utility's tariffs in accordance with the rules and regulations of the state public utility commission ("PUC") where you take service. You further acknowledge that this contract provides authorization for your local utility to release all information regarding your energy supply account(s) to us so we can provide the services described herein. This information may include, but is not limited to, usage information, billing determinants, bill cycle, budget billing status, address, account type, tax exemption status, rate service class, load profile, demand data, meter number, special account exceptions, public assistance status, existence of medical emergencies or disability, tax status and eligibility for economic development or other incentives, standard service status, electronic interval data when available, credit information when applicable, and all other data and information permitted by law to be disclosed to us to provide our services.

We also obtain information about you as outlined in our privacy policy (posted on our website) such as when you voluntarily provide personal information to us, use our website or mobile applications, or when we add information about you to your account profile from publicly available sources.

We will maintain the confidentiality of your personal information including your name, address, telephone number, email, account numbers, energy usage and historic payment information as required by applicable PUC regulations as well as federal and state laws.

Our use and sharing of your information will be consistent with the purposes and uses disclosed in our privacy policy, as amended from time to time and posted on our website. Your information may be disclosed if required by law, such as pursuant to a lawfully issued subpoena or other legal process. Further, you understand that your information may be disclosed to an affiliate or a third-party to provide services or products to you, and any disclosure of such information will be made under confidentiality obligations not to disclose such information and to use it solely for the purpose of providing services to you or improved products to us. This authorization also allows us to contact you about our other products and services and to share information about your account with any designated rewards partner or with any affiliate, third party vendor or marketing partner we use to provide energy services or energy-related services to you.

If you do not wish for us to use or share information about your account in the manner described above, you may cancel this contract by calling us at our contact information listed herein.

Electronic Communication: If you provide us with your Email address, you are consenting to this contract and other forms of communication being provided to you in electronic form and you must provide us with any update to your valid Email address should it change. You are required to notify us of any change in Email address and/or any withdrawal of consent for the electronic transmission of contracts or other customer information. If you enroll electronically, please note that our website and application is best viewed in Internet Explorer 9.0 or higher.

Billing: Your local utility is responsible for sending you a bill that includes the charges for our service and charges for the utility's service. The bill that the utility sends should include a separate line item for our service. Under this contract, you agree to pay your utility directly for our service, but if you fail to make a payment for 120 days, we may bill you separately for any unpaid charges from us. In that event, you agree to pay the costs we incur to collect any amounts owed to us, which could include reasonable attorneys' fees.

You also agree to review your bills in a timely manner, and if there are any inaccuracies with the portion of the bill for our services, you agree to notify us within ninety days after the date of the bill. If we do not hear from you, and you do not dispute the billed amount within that period, you agree that the billed amount will be deemed correct and binding on you, and you waive any right to dispute the billed amounts to the extent permitted by New Jersey law.

Taxes: Tax charges are included on the one bill you will receive from your utility. If you are exempt from any taxes, you are responsible for requesting an exemption by filing all required documentation with us and/or your utility.

Contract Details: Our full, legal name is Reliant Energy Northeast LLC d/b/a NRG Home and NRG Retail Solutions, but we have used "we", "us", or "our" to refer to ourselves for the purposes of this contract. We use "you" or "your" to refer to you, the customer. This contract is for the sale and purchase of all of your electricity for the account(s) listed in your Welcome Confirmation (letter or email). By entering into this contract, you are authorizing us to take the steps necessary to switch your electricity supply service to us, and you agree to appoint us as your agent to acquire the necessary information to meet your electricity needs as required by your "utility", which we use to refer to your local distribution company. Your utility is responsible for the delivery of electricity to you through its transmission and distribution facilities, and we are not. This contract and the Welcome Confirmation (letter or email) you received create your entire contract with us and replace any prior oral or written statements or representations.

Contract Changes: We can only change a material term of this contract with your consent, and we will obtain your approval before making any material change. We will not change or alter the waiver of jury trial provision under any circumstances, and any changes to this contract must be made in writing.

Customer Complaints: If you have questions about our prices or our service, you should call us at the contact information listed below. If you are not satisfied with the response from our Customer Care representative, you may ask that your questions be referred to one of our supervisors, who will respond promptly. If you remain unsatisfied with our attempts to resolve the issue, you may seek assistance from the NJ BPU or request information from the NJ BPU regarding your consumer protection rights. B. Other Important Information

Assignment: We may sell, transfer, pledge or assign the accounts, revenues or proceeds associated with this contract in connection with any financial contract, and we may assign the rights and obligations under this contract to another energy supplier consistent with applicable law. You may not assign this contract.

No Reliance: You acknowledge that (1) you are not relying on any advice, statements, recommendations or representations of ours other than the written representations in this contract; (2) that you consulted with your own advisors to the extent you deemed necessary; and (3) that you understand the risks of entering into this contract, including the risk that our prices may be higher than your utility's rates. You acknowledge that you are capable and willing to assume those risks (whether financial, economic or otherwise) and that you have made your own decision to enter into this contract.

Force Majeure: We will use commercially reasonable efforts to provide electricity supply to you pursuant to this contract, but we do not guarantee a continuous supply of electricity. Certain Force Majeure events outside of our control may cause interruptions in service. If a Force Majeure event prevents us from performing any of our obligations in any way, our performance shall be excused for the duration of such event, and we will not be liable for damages associated with any delay or failure to perform as a result. "Force Majeure" includes, without limitation, acts outside of our control, sabotage, riots or civil disturbances, acts of God, acts of a public enemy, acts of vandalism, terrorist acts, natural disasters, explosions, fires, pandemics or governmental shutdown order, or similarly cataclysmic occurrence, failure, shortage or unavailability of generating units, storage, transmission, or distribution facilities, nonperformance by your local utility, or any change in law or any other action by a governmental authority that materially impairs our ability to perform our obligations under this contract. We will give you reasonably prompt notice of any Force Majeure occurrence.

Severability: Each provision of this contract is made subject to the maximum extent permitted by the law of New Jersey. If any are held to be unenforceable or invalid by any arbitrator or court of competent jurisdiction, we will negotiate an equitable adjustment to or an amendment of the affected provisions with you with a view toward effecting the purpose of this contract. In this case, the validity and enforceability of the remaining provisions shall not be affected.

LIMITATIONS ON WARRANTY AND DAMAGES: THE ELECTRICITY PROVIDED UNDER THIS CONTRACT WILL MEET THE QUALITY STANDARDS OF YOUR UTILITY. YOU UNDERSTAND AND AGREE THAT THERE ARE NO OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED, ASSOCIATED WITH THE SERVICE PROVIDED BY US. WE HAVE NO LIABILITY FOR SERVICE INTERRUPTIONS NOR ANY ASSOCIATED LOSS OR DAMAGE RESULTING FROM SUCH INTERRUPTIONS. TO THE MAXIMUM EXTENT PERMITTED BY NEW JERSEY LAW, LIABILITIES NOT EXCUSED BY REASON OF FORCE MAJEURE OR OTHERWISE SHALL BE LIMITED TO DIRECT ACTUAL DAMAGES.

ARBITRATION AND WAIVER OF JURY TRIAL: TO THE FULLEST EXTENT PERMITTED BY NEW JERSEY LAW, ANY DISPUTE, CONTROVERSY OR CLAIM ARISING OUT OF, RELATING TO OR IN CONNECTION WITH THIS CONTRACT, SHALL BE FINALLY RESOLVED BY ARBITRATION BEFORE THE AMERICAN ARBITRATION ASSOCIATION ("AAA") CONDUCTED UNDER THE AAA COMMERCIAL RULES AND THE CONSUMER-RELATED DISPUTES SUPPLEMENTARY PROCEDURES, OR, AT THE ELECTION OF EITHER PARTY, BROUGHT IN SMALL CLAIMS SECTION OF SPECIAL CIVIL PART OF THE CIVIL DIVISION, SUPERIOR COURT OF NEW JERSEY ("SMALL CLAIMS COURT"), IF THE DISPUTE OR CLAIM IS WITHIN THE SCOPE OF ITS JURISDICTION. BY ENTERING INTO THIS CONTRACT, YOU ARE GIVING UP YOUR RIGHTS TO SEEK REMEDIES IN COURT, OTHER THAN IN SMALL CLAIMS COURT, AND THE RIGHT TO A JURY TRIAL. THE ABILITY TO CONDUCT DISCOVERY IN ARBITRATION IS LIMITED AND THE ARBITRATOR'S DECISION IS SUBJECT TO VERY LIMITED REVIEW BY COURTS. ARBITRATORS CAN AWARD THE SAME DAMAGES AND RELIEF THAT A COURT CAN AWARD. THE AAA SHALL HAVE THE POWER TO RULE ON ANY CHALLENGE TO ITS OWN JURISDICTION OR TO THE VALIDITY OR ENFORCEABILITY OF ANY PORTION OF THIS ARBITRATION PROVISION. THE PARTIES AGREE THAT ALL CLAIMS INCLUDING STATUTORY, STATE OR FEDERAL CLAIMS, SHALL BE MADE SOLELY ON AN INDIVIDUAL BASIS, AND THAT THIS CONTRACT DOES NOT PERMIT CLASS ACTIONS, EITHER IN ARBITRATION OR THROUGH A COURT PROCEEDING. AAA MAY NOT CONSOLIDATE MORE THAN ONE PERSON'S CLAIMS, AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A REPRESENTATIVE OR CLASS PROCEEDING. IN THE EVENT THE PROHIBITION ON CLASS ARBITRATION IS DEEMED INVALID OR UNENFORCEABLE, THEN THE ENTIRETY OF THIS ARBITRATION PROVISION SHALL BE NULL AND VOID. JUDGMENT ON THE ARBITRATOR'S AWARD CAN BE ENTERED IN ANY COURT HAVING JURISDICTION. THIS AGREEMENT EVIDENCES A TRANSACTION IN INTERSTATE COMMERCE, AND THUS THE FEDERAL ARBITRATION ACT GOVERNS THE INTERPRETATION AND ENFORCEMENT OF THIS PROVISION. THIS ARBITRATION PROVISION SHALL SURVIVE TERMINATION OF THIS AGREEMENT.

Other Provisions: This contract can change based on any future legislation, orders, rules, regulations or your local utility tariff or policy changes. This contract is made and shall be construed in accordance with the laws of the State of New Jersey. There are no third party beneficiaries to this contract. This contract is binding upon us and you, as well as any successors or legal assigns. NRG Home Rewards Program Terms for Southwest Airlines Rapid Rewards® Members

a) Rapid Rewards is a program offered by Southwest Airlines®. It is not a product or program of Reliant Energy Northeast LLC d/b/a NRG Home and NRG Retail Solutions ("NRG Home") NRG Home. Southwest Airlines is solely responsible for establishing the terms and conditions of your participation in the Southwest Airlines Rapid Rewards program. All Southwest Airlines Rapid Rewards terms and conditions apply and can be found at http://www.southwest.com. Southwest Airlines may change or terminate the Rapid Rewards program rules in accordance with the Southwest Airlines Rapid Rewards terms and conditions.

b) NRG Home is responsible for its obligations under its Agreement with you (the Terms of Service) but NRG Home is not responsible for the administration of the Southwest Airlines Rapid Rewards program. Southwest Airlines is not a party to the NRG Home Agreement, and

Southwest Airlines is not responsible for any goods or services supplied by NRG Home.

c) After the closing date of each billing cycle NRG Home will calculate the total dollar amount of electricity and/or natural gas supply purchased on your behalf and charged to your account during that billing cycle (NRG Home service charges) and the point credit due to you as set forth in paragraph (d). NRG Home will subsequently request that Southwest Airlines award the point credit. If your account is not open and current on the date a billing cycle closes, no point credits will be reported to Southwest Airlines for that billing cycle. For the purposes of this program, active accounts are defined as those that are billing more than $0 and those for which NRG Home has not received a request on behalf of the customer to discontinue (drop) their service. The dollar amount of NRG Home service charges for a billing cycle is the dollar amount of all purchases of electricity and/or natural gas made by NRG Home on your behalf placed on your account during the billing cycle, reduced by any credits posted to the account during the billing cycle, rounded up or down to whole dollar amounts. Point accumulation is subject to certain limitations, exclusions and restrictions by Southwest Airlines. There is no limit to the number of Rapid Rewards points that may be earned. NRG Home is not responsible for awarding points under the Southwest Airlines Rapid Rewards program, arranging or providing any services related to travel, the use of points, any delay, failure, or refusal by Southwest Airlines to award or redeem points for award travel, or any decision by Southwest Airlines to revoke or cancel points or membership in the Southwest Airlines Rapid Rewards program.

d) Rapid Rewards Cardmembers will earn three (3) points for every one dollar ($1.00) of NRG Home service charges rounded to the nearest dollar. Non-Cardmembers will earn two (2) points for every one dollar ($1.00) of NRG Home service charges rounded to the nearest dollar. Southwest Airlines will show accrued point credits on your Southwest Airlines Rapid Rewards statement. There could be delays between the date NRG Home makes a purchase on your behalf, the date NRG Home reports your point credit to Southwest Airlines, and the date that Southwest Airlines credits your Southwest Airlines Rapid Rewards account. For this and other reasons, the records of NRG Home and the records of Southwest Airlines regarding accrued points may differ. Points will not be available for your use until they are posted to your Rapid Rewards account. In the event of any discrepancy, the records of Southwest Airlines will control the determination of point awards.

e) From time to time, NRG Home may offer bonuses or other premiums (for example, Account Activation Points) to new NRG Home account holders. Unless otherwise stated, these bonuses are intended for persons who are not, and have not previously been, NRG Home account holders. Unless otherwise stated, you are not eligible to receive these bonuses for any new NRG Home account you open after this account is opened. Unless otherwise stated, you will be eligible to receive these bonuses after two months of active service with NRG Home. A single customer is eligible to receive rewards or bonuses for a total of four accounts, regardless of the total number of accounts enrolled. If you receive a bonus for which you are not eligible, NRG Home may direct Southwest Airlines to revoke the bonus, or reduce your points by the amount of the bonus, or charge your account for the fair value of the bonus.

f) By entering into the NRG Home Agreement (the Terms of Service), you will be deemed to have authorized NRG Home and Southwest Airlines to share information with each other about your account consistent with the respective privacy policies of NRG Home and Southwest Airlines.
